

Kevin's Puzzle of the Week

Couplets

Love is in the air

Ever as the blazing forge turns,
So their love ran wild and crazy:
The inimitable THIRTEEN
Wishing his wife "Goodnight TEN."

Finding romance is a biggie -
No one wants to be a hermit.
Thus the story of SIX
And her greenish boyfriend THREE.

In a story far from measly
Like the golden snitch he caught her:
A young witch named TWELVE
Met her husband NINE.

In an alley dark and shady
Finding dinner like a champ
Sat a turned out noble FOUR
Sharing pasta with a ONE.

It was met with some derision:
Can a robot form a bond? A
Perfect world was made for FOURTEEN
By the red magician SEVEN.

This reporter got to her man
Faster than a speeding train.
That's the story of ELEVEN
And his lover FIVE.

Though he doesn't need a comb, her
Love for him is still quite large.
TV sitcom father TWO
Loves his beehived soulmate EIGHT.
