

# Kevin's Puzzle of the Week

## Losing Battle

*In battle, a tiny change can make the difference between winning and losing.*

A young cookie saleswoman was defeated by a loud yell.

A timepiece was broken by a cape.

A stuffed joey fell to decay.

An English city was routed by a piece of silverware.

A hex was broken by a double Nobel laureate.

A baby bird was overwhelmed by an inspection.

Mario's enemy got taken out by a rounded hat.

The main character got trampled by a group of cattle.

A room full of food was stymied by a single cruller.

A document was overwhelmed by a movie.
