

# Kevin's Puzzle of the Week

March 15, 2021

Avery, Charlie, Jordan, and Riley each agreed to clean a certain room. Each room had a different chore that needed done.

No two people cleaned the same room.

The bathroom and kitchen were cleaned by Charlie and Jordan in some order.

Avery didn't do a chore in either the kitchen or dining room.

One of the chores was sweeping the bathroom floor.

Jordan always does the polishing.

Nothing in the living room needed to be dusted or polished.
