

Kevin's Puzzle of the Week

Holiday Planning

So many holidays to prepare for. I hope I get everything on my list done in time.

I need to learn the words to "Lift Every Voice and Sing" before my June 14th barbecue.

Better pick up some fireworks before the parade on July 3rd.

The stockings need to be hung and the tree decorated before the 7th of December.

I need to remember to pick up some chocolates and flowers for my sweetheart before February 2nd.

My costume needs to be finished and the pumpkin carved before October 6th.
